

wells, the equal 1/8 part of all oil produced and saved from the leased premises; and 2-- to pay \$200.00 in advance per year for the gas from each and every well drilled on said premises that produces gas only, the product from which is marketed and used off the premises, said payments to be made on each well within sixty (60) days after commencing to use the gas therefrom as aforesaid, and to be paid yearly thereafter, while the gas from said well is used. First party may have the privilege of using gas for one dwelling house by making his own connections to a well on this lease as long as second party may utilize the gas therefrom care being taken not to waste.

Second party covenants and agrees to locate all wells so as to interfere as little as possible with the cultivated portions of the farm, and further to complete a well on said premises within one year from the date hereof, or pay at the rate of forty dollars for each additional 3 months such completion is delayed from the time above mentioned for the completion of such well until a well is completed and it is agreed that the completion of such well shall be and operate as a full liquidation of all rentals under this provision during the remainder of the term of this lease. Such payments may be made direct to the lessor or deposited to his credit in First Natl. Bank of Porter, Okla.

It is agreed that the second party is to have the privilege of using sufficient water and gas from the premises to run all necessary machinery and at any time to remove all machinery and fixtures placed on said premises; and further, upon the payment of one dollar, at any time, by the party of the second part his heirs, successors or assigns, to the party of the first part his heirs, successors or assigns, shall have the right to surrender this lease for cancellation, after which all payments and liabilities thereafter to accrue under and by virtue of its terms shall cease and determine and this lease become absolutely null and void.
