

TO HAVE AND TO HOLD the same unto the said party of the second part his heirs and assigns for the term of 5 years from the date hereof, and as long thereafter as oil or gas is being produced therefrom by said lessees.

In consideration whereof the said party of the second part agrees to deliver to parties of the first part in tanks or pipe lines the one eighth part of all oil produced and saved from the leased premises. And should gas be found on said premises in paying quantities, second party agrees to pay one hundred fifty dollars yearly in advance for the product of each gas well, while the same is being sold off the premises, and first parties shall have free use of the gas for domestic purposes by making their own connections for such gas at their own risk and expense.

Second party agrees to locate all wells so as to interfere as little as possible with the cultivated portions of the premises and to pay for all damage to growing crops caused by said operations.

It is agreed that, if a well is not commenced on said premises within one year from the date hereof, then this lease and agreement shall be null and void, unless the party of the second part, each and every year in advance after the expiration of the time above mentioned for the commencement of a well shall pay a rental of one dollar per acre a year until a well is commenced thereon. And it is agreed that the completion of a well shall be and operate as a full liquidation of all rental under this provision during the remainder of this lease. All rentals and other payments may be made direct to the party of the first part or may be deposited to their credit at Central Natl. Bank Tulsa, Okla.

All the conditions between the parties hereto shall extend and apply to their heirs, executors, administrators, and assigns.

In witness whereof, the said parties have hereunto set their hands and seals the day and year above written.
