# OIL AND GAS LEASE RECORD

Form A, Series 1908—Approved April 20, 1908.

## OIL AND GAS MINING LEASE UPON LAND SELECTED FOR ALLOTMENT

Creek

NATION, OKLAHOMA

This Indenture of Lease, Made and entered into in quadruplicate on this 30th day of November, 1908, A. D. 1908, by and between

Samuel Naharkey

of Tulsa, Oklahoma

Full Blood

T. A. Saunders

Tulsa, Oklahoma

designated as lessee, under and in pursuance of the provisions of the act of Congress approved August 1, 1906 (34 Stat. 2259), and hereby agreed to be

paid, observed, and performed by the lessee, does hereby demise, grant, lease, and let unto the lessor, for the term of five years from the date of the approval hereof by the Secretary of the Interior,

and as much longer thereafter as oil or gas is found in paying quantities, all the oil deposits and natural gas in or under the following-described tract of land, lying and being within the county of

Sehgal, and State of Oklahoma, to-wit: The Northwest quarter of Northwest quarter of

east half of N.E. of section (34) also the N.W. of N.W. of section

of Section 35, Township 19 N, Range 12 E

of the Indian Meridian, and containing 1.60 acres, more or less, with the exclusive right to prospect for, extract, pipe, store, and remove oil and natural

gas, and to occupy and use so much only of the surface of said land as may reasonably be necessary to carry on the work of prospecting for, extracting, piping, storing, and removing such oil and natural

oil and natural gas as far as necessary to the development and operation of said property.

2. The lessee hereby agrees to pay or cause to be paid to the United States Indian Agent, Union Agency, Muskogee, Okla., for the lessor, as royalty, the sum of \$1.00 per

cent, of the gross proceeds of all crude oil extracted from the said land, such payment to be made at the time of sale or removal of the oil. And the lessee shall pay as royalty in advance on each gas-pro-

ducing well utilized otherwise than as provided herein, where the capacity is tested at three million cubic feet or less per day of twenty-four hours, one hundred and fifty dollars per annum, and where

the capacity is more than three million cubic feet per day, fifty dollars for each additional million cubic feet or major fraction thereof. The lessor shall have the free use of gas for domestic purposes in

his residence on the leased premises, provided there be surplus gas produced on said premises over and above enough to fully operate the same. Failure on the part of the lessee to use a gas-producing

well, which can not profitably be utilized at the rate herein prescribed, shall not work a forfeiture of this lease so far as the same relates to mining oil, but if the lessee desires to retain gas-producing priv-

ileges, lessee shall pay a rental of fifty dollars per annum in advance on each gas-producing well, gas from which is not marketed or not utilized otherwise than for operations under this lease, the first

payment to become due and to be made within thirty days from the date of the discovery of gas. If the lessee fails to pay the said advance annual royalty on this lease, fifteen cents per acre per

annum, annually, in advance, for the first and second years; thirty cents per acre per annum, annually, in advance, for the third and fourth years; and seventy-five cents per acre per annum, annually,

in advance, for the fifth year; it being understood and agreed that said sums of money so paid shall be a credit on the stipulated royalties.

3. The lessee shall exercise diligence in sinking wells for oil and natural gas on land covered by this lease, and drill at least one well thereon within twelve months from the date of the approval

of this lease by the Secretary of the Interior, and on failure so to do this lease becomes null and void. PROVIDED, HOWEVER, there is reserved and granted to the lessee the right and privilege of de-

laying the drilling of said well for not exceeding five years from the date of the approval of the lease by the Secretary of the Interior by paying to the United States Indian Agent, Union Agency, Mus-

kogee, Okla., for the use and benefit of the lessor (subject to the limitations and conditions hereinafter contained), in addition to said advance royalty, the sum of one dollar per acre per annum for each

year the completion of such well is delayed, payable on or before the end of each year; but lessee may be required to drill and operate wells to offset paying wells on adjoining tracts and within three

hundred feet of the drilling line.

4. The lessee shall carry on development and operations in a workmanlike manner, commit no waste on the said land and suffer none to be committed upon the portion in his occupancy or use,

take good care of the same and promptly surrender and return the premises upon the termination of this lease to lessor or to whomsoever shall be lawfully entitled thereto, unavoidable casualties excepted;

shall not remove therefrom any buildings or permanent improvements erected thereon during the said term by the said lessee, but said buildings and improvements shall remain a part of said

land and become the property of the owner of the land as a part of the consideration for this lease, excepting the tools, derricks, boilers, boiler houses, pipe lines, pumping and drilling outfit, tanks,

engines, and machinery, and the casing of all dry or exhausted wells, which shall remain the property of the lessee, and may be removed at any time prior to sixty days after the termination of the

lease for forfeiture or otherwise; shall not permit any nuisance to be maintained on the premises under lessee's control, nor allow any intoxicating liquors to be sold or given away for any purposes on

such premises; shall not use such premises for any other purposes than those authorized in this lease; and before abandoning any well shall securely plug the same so as effectually to shut off all water

from the oil-bearing stratum, or in the manner required by the laws of the State of Oklahoma.

5. The lessee shall keep an accurate account of all oil-mining operations, showing the sales, prices, dates, purchases, and the whole amount of oil mined or removed; and all sums due as royalty

shall be a lien on all implements, tools, movable machinery, and all other personal chattels used in operating said property, and upon all of the unmined oil obtained from the land herein leased, as secu-

rity for payment of said royalty.

6. The lessee may at any time, by paying to the Indian Agent all amounts then due as provided herein and the further sum of one dollar, surrender and cancel this lease and be relieved from all

further obligations or liabilities hereunder. PROVIDED, if this lease has been recorded, lessee shall execute a release and record the same in the proper county recording office; PROVIDED, FURTHER,

in event restrictions are removed from all leased premises, the lessee may surrender all the undeveloped portion thereof, by paying the lessor all amounts then due and the further sum of one dollar,

which surrender shall not effect the terms hereof as to each producing well and ten acres of said premises as nearly in square form as possible next contiguous to and surrounding each of said wells,

and execute and record a cancellation of this lease.

7. This lease shall be subject to the regulations of the Secretary of the Interior, now or hereafter in force, relative to such leases, all of which regulations are made a part and condition of this

lease; PROVIDED, HOWEVER, that no regulations made after the approval of this lease, affecting either the length of term of oil and gas leases, the rates of royalty or payments thereunder, or the

assignment of leases, shall operate to affect the terms and conditions of this lease.

8. Upon the violation of any of the substantial terms and conditions of this lease, the Secretary of the Interior (or lessor, in event restrictions are removed as provided in paragraph 12 hereof)

shall have the right at any time after thirty days' notice to the lessee specifying the terms or conditions violated, to declare this lease null and void, and the lessor shall then be entitled and author-

ized to take immediate possession of the land.

9. Before this lease shall be in force and effect the lessee shall furnish a bond with responsible surety to the satisfaction of the Secretary of the Interior, conditioned for the performance of this

lease, which bond shall be deposited and remain on file in the Indian Office.

10. Assignment of this lease or any interest therein may be made with the approval of the Secretary of the Interior, it being understood that to secure such approval the proposed assignee

must only be qualified to hold such a lease under the rules and regulations, and furnish a bond with responsible surety to the satisfaction of the Secretary of the Interior, conditioned for the faithful per-

formance of the covenants and conditions of this lease.

11. In event restrictions on alienation shall be removed from all the leasehold premises described above, this lease shall be released from the supervision of the Secretary of the Interior, such

release to take effect without further agreement, from the date such restrictions are removed, and thereupon the authority and power delegated to the Secretary of the Interior as herein provided shall

cease, and all payments required to be made to the United States Indian Agent shall thereafter be made to lessor or the then owner of said land; and changes in regulations thereafter made by the Sec-

retary of the Interior applicable to oil and gas leases shall not apply to this lease.

12. Each and every clause and covenant of this indenture shall extend to the heirs, executors, administrators, successors and lawful assigns of the parties hereto.

13. In witness whereof, the said parties have hereunto subscribed their names and affixed their seals on the day and year first above mentioned.

ATTEST:

Two witnesses to execution by lessor:

Wm. H. Payne

Tulsa, Okla.

L. M. H. Hunt

Tulsa, Okla.

Two witnesses to execution by lessee:

C. R. Adams

Tulsa, Okla.

J. W. Dwyer
