

for this lease that in the event the second party shall develop a well producing as much as twenty five barrels of oil daily, or producing gas in paying quantities, within six months from the date hereof, he shall pay to the first parties the additional sum of Nine Hundred dollars cash upon the completion thereof and if second party fails to develop such a well within said period, this lease shall be by such failure terminated and ended without notice or process of law.

5. The party of the second part shall have the right to use casing head gas from the wells on this lease for the purpose of operating said wells and wells owned by second party on other farms.

6. The second party shall pay all damages to growing crops by the aforesaid operations.

7. No well shall be drilled nearer than Two hundred feet to the buildings on said premises.

8. The second party may, at any time, remove all his property and reconvey the parties of the first part or their assigns the premises hereby granted, and thereupon this instrument shall become null and void.

9. The second party shall have the right to erect, maintain, operate and remove all necessary pipes, pipe lines, steam, water, gas and shackle lines connecting with like lines to and from adjoining lands controlled by the second party.

It is understood between the parties to this agreement that all conditions between the parties hereto shall extend to their heirs, executors administrators, successors and assigns.

In witness whereof, the parties have hereunto set their hands and seals the day and year first above written.
