

The said Galbreath Gas Company for itself and its successors or assigns hereby covenants to bury its lines of pipe so that the same will not interfere with the cultivation of said premises.

In consideration of the sum of one dollar in hand paid, it is hereby further agreed that the Galbreath Gas Company, its successors or assigns may at any time lay additional lines of pipe alongside of the first line, as herein provided for, upon the payment of all additional damages, and subject to the same conditions, provided assent and approval of the Secretary of the Interior be had therefor, if within the jurisdiction of such Secretary at that time.

It is hereby further agreed that the Galbreath Gas Company its successors, or assigns, shall have the right to change the size of its said line of pipe, the damage, if any, to crops and surface by reason of such change to be paid by the said grantee, its successors, or assigns.

The damage for and because of the laying of the first line of pipe are included in the above payment. All damages thereafter to fences, crops and premises, which may be suffered by reason of the maintenance, operation or alteration of said lines of pipe to be assessed under the direction of the Secretary of the Interior, or, in case of removal of restrictions as to the then owner thereof, said damages, if not mutually agreed upon to be ascertained and determined by three disinterested persons, one thereof to be appointed by the owner of the premises, one by the Galbreath Gas Company, its successors or assigns, and the third by the two so appointed as aforesaid, and the award of such three persons shall be final and conclusive.
