

that the said minors are the owners of the following described real estate and own the same in fee simple;

Land owned by Anna Bell Canada, the south east quarter, Land owned by Clem Canada, the north east quarter of section thirty-six (36) township nineteen (19) north, Range Ten (10) east containing One Hundred sixty (160) acres of each minor or Three Hundred and Twenty (320) acres in all and it appearing to the Court that the said land is probably underlaid with deposits of oil and gas and it further appearing that the estate of the said minors is not financially able to develop said lands for oil and gas producing purposes, and it further appearing to the court that it would be for the best interest of said minors, that the said lands be leased for said purposes, in order that same may be prospected and in case oil and gas be found on said premises it may be utilized for the benefit of the said minors.

It further appearing to the Court that the said lands ought to be leased for said purposes in order that funds may be derived for the use, benefit, education and maintenance of said minors or put out at interest or invested for their benefit.

And it further appears that said guardian has used due diligence so far as in his power to procure the best contract possible for his wards in an oil and gas mining lease and it appearing to the court that the lease contract submitted from H. M. Morgan as lessee being the best contract obtainable the same being conditioned as follows: The lessee to pay to the guardian for the use and benefit of said wards the sum of One Dollar per acre (\$1.00) as a cash bonus, payable upon the delivery of a lease under the order of this court and a royalty of a full One-eighth of all the oil produced and saved from the said premises, and One Hundred and Fifty (\$150.00) Dollars for each gas producing well from which gas is used off of the premises and Fifty (\$50.00) Dollars, all of the payments for gas producing wells being per annum in advance for each and every gas producing well. Further requiring the said lessee to drill at least one (1) well on said premises within twelve (12) months from date of said lease or thereafter to pay an annual rental of One Dollar per acre per annum to the estate of said minors and it appearing that the said lease is in all respects fair and equitable it is therefore,

Ordered, adjudged and decreed that the said leases be and they are hereby in all respects, ratified, confirmed and approved.

Done at Muskogee, Muskogee County, Oklahoma, on this the 18 day of March 1910.
