

filed by George W. Ware to vacate and dismiss the proceedings had in this matter in this court, and the said George W. Ware appearing in person, and the court having heard the evidence offered in support of said petition, and being fully advised in the premises, finds:

That on November 24, 1908, a petition was filed by the said George W. Ware, for his appointment as guardian of George F. Ware and Josephine M. Ware, minors, and that on December 5th 1908, an order was entered by said court appointing said George W. Ware as such guardian and that on December 5, 1908, letters of guardianship were issued to the said George W. Ware as such guardian and that thereafter various proceedings were had in this case in this court.

The court further finds that the statement of the said George W. Ware, contained in said petition for appointment, as also elsewhere in said proceedings, as also the decree of this court, finding that said minors were residents of said Rogers county, are erroneous and that in truth and in fact said minors were at the time of the filing of said petition or at any time thereafter own or have any property of land situated in said Rogers county, and therefore, for these reasons, this court holds that it had no jurisdiction to make the appointment of said George W. Ware as guardian and to conduct and carry on the proceedings thereafter had in this case.

It is therefore ordered, adjudged and decreed by this court that the order of this court appointing said George W. Ware as such guardian, and the letters of guardianship issued by this court, together with all the proceedings had thereafter were made and had without jurisdiction of this court and it is therefore ordered, adjudged and decreed by this court that the said order of this court appointing said George W. Ware guardian, together with the letters of guardianship issued to the said George W. Ware, and all and singular the proceedings had in this matter, and all the orders entered and made by this court, and all processes or other papers filed in this case be, and the same are hereby vacated, set aside and held for naught.

And it is further ordered, adjudged and decreed by this court that this matter be dismissed and it is hereby dismissed and stricken from the files of this court.
