	of section
	extract, pipe, store, refine, and remove such oil and natural gas, and to occupy and use so much only of the surface of said land as may be reason
	necessary to carry on the work of prospecting for, extracting, piping, storing, refining, and removing such oil and natural gas, including also the rig obtain from wells or other sources on said land, by means of pipe lines or otherwise, a sufficient supply of water to carry on said operations, and inclu
	still further the right to use such oil and natural gas as fuel so far as it is necessary to the prosecution of said operations. and as and as may in a function of which the part use of the second part hereby agrees and binds the machine fuel and the prosecutors them heirs, executors as administratore, to pay of cau
	be paid to the lessor, as royalty the sum of be per cent. of the value, on the leased premises, of all crude oil extracted from the said land, and if the p
	do not, before the tenth day of the month succeeding its extraction, agree upon the value of the crude oil on the leased premises, the value thereof finally be determined under the direction of the Secretary of the Interior in such manner as he shall prescribe, and to so pay the royalty accruing fo
	month on or before the twenty-fifth day of the month succeeding, and where the value of the crude oil fluctuates, the average value during the month constitute the criterion in computing the royalty; and to pay in yearly payments, at the end of each year, one hundred and fifty dollars royalty, on
	gas-producing well, the lessorto have free the use of gas for lighting and warming haveresidence on the premises. But failure on the part of
	lessee to use a gas-producing well where the same cannot be reasonably utilized at the rate so prescribed, shall not work a forfeiture of this lease as the same relates to mining oil, but if the lessee desires to retain gas-producing privileges. They would be a related by the same rela
	each gas-producing well not utilized, the first payment to become due and to be made within thirdy days from the date of the discovery of gas, payr thereafter for such wells to be made in advance at the first of each succeeding year, dating from the first payment.
/ 1	And the part use of the second part further agrees and binds the second part further agrees and binds the second part for fause to be paid to
	lessor, as advanced annual royalty on this lease, the sums of money as follows, to-wit: Fifteen cents per acre per annum, in advance, for the firs second years; Thirty cents per acre per annum, in advance, for the third and fourth years; and Seventy-five cents per acre per annum, in advance, fo
	fifth and each succeeding year thereafter of the term for which this lease is to run; it being understood and agreed that said sums of money so paid be a credit on the stipulated royalties should the same exceed such sums paid as advanced royalty, and further, that should the partage of the second
	neglect or refuse to pay such advanced annual royalty for the period of sixty days after the same becomes due and payable, then this lease shall, a option of the lessor, be null and void, and all royalties paid in advance shall become the money and property of the lessor
	The part is of the second part further covenants and agrees to exercise diligence in the sinking of wells for oil and natural gas on the lands co
	by this lease, and to drill at least one well thereon within twelve months from the date of the approval of the bond by the Secretary of the Interior should the partice of the second part fail, neglect, or refuse to drill at least one well within the time stated, this lease may, in the discretion of
	Secretary, be declared null and void, with due notice to the lesseeand proof of the default; and said part
	waste to be committed upon the portion in the occupancy or use; to take good care of the same, and to promptly surrender and return the pre-
	upon the termination of this lease to the part of the first part or to whomsoever shall be lawfully entitled thereto, and not to remove therefrom
	buildings or improvements erected thereon during the said term by the said part 444 of the second part, but said buildings and improvements shall re-
	a part of said land and become the property of the owner of the land as a part of the consideration for this lease, in addition to the other consider
