4	of the Indian Meridian, and containing Eighty (80) acres, more or less, with the right to prospect for
0	extract, pipe, store, refine, and remove such oil and natural gas, and to occupy and use so much only of the surface of said land as may be reasonable
1	necessary to carry on the work of prospecting for, extracting, piping, storing, refining, and removing such oil and natural gas, including also the right t
	obtain from wells or other sources on said land, by means of pipe lines or otherwise, a sufficient supply of water to carry on said operations, and including
	still further the right to use such oil and natural gas as fuel so far as it is necessary to the prosecution of said operations.
	In consideration of which the part 4 of the second part hereby agrees and binds the lessor, as royalty the sum of ten per cent. of the value, on the leased premises, of all crude oil extracted from the said land, and if the parties
	do not, before the tenth day of the month succeeding its extraction, agree upon the value of the crude oil on the leased premises, the value thereof sha
	finally be determined under the direction of the Secretary of the Interior in such manner as he shall prescribe, and to so pay the royalty accruing for an
	month on or before the twenty-fifth day of the month succeeding, and where the value of the crude oil fluctuates, the average value during the month sha
	constitute the criterion in computing the royalty; and to pay in yearly payments, at the end of each year, one hundred and fifty dollars royalty, on eac gas-producing well, the lessor to have free the use of gas for lighting and warming. residence on the premises. But failure on the part of the
	lessee to use a gas-producing well where the same cannot be reasonably utilized at the rate so prescribed, shall not work a forfeiture of this lease so fa
	as the same relates to mining oil, but if the lesseedesires to retain gas-producing privileges
	each gas-producing well not utilized, the first payment to become due and to be made within thirty days from the date of the discovery of gas, payment
	thereafter for such wells to be made in advance at the first of each succeeding year, dating from the first payment. And the part 4 of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds handly have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second part further agrees and binds have the part of the second p
	lessor, as advanced annual royalty on this lease, the sums of money as follows, to-wit: Fifteen cents per acre per annum, in advance, for the first an
	second years; Thirty cents per acre per annum, in advance, for the third and fourth years; and Seventy-five cents per acre per annum, in advance, for the
Î	fifth and each succeeding year thereafter of the term for which this lease is to run; it being understood and agreed that said sums of money so paid sha
	be a credit on the stipulated royalties should the same exceed such sums paid as advanced royalty, and further, that should the part
	neglect or refuse to pay such advanced annual royalty for the period of sixty days after the same becomes due and payable, then this lease shall, at the option of the lessor, be null and void, and all royalties paid in advance shall become the money and property of the lessor
	The partof the second part further covenants and agrees to exercise diligence in the sinking of wells for oil and natural gas on the lands covere
1	by this lease, and to drill at least one well thereon within twelve months from the date of the approval of the bond by the Secretary of the Interior, an
1	should the partof the second part fail, neglect, or refuse to drill at least one well within the time stated, this lease may, in the discretion of the
	Secretary, be declared null and void, with due notice to the lesseeand proof of the default; and said part g f the second part agrees to operate the
1	same in a workmanlike manner to the fullest possible extent, unavoidable casualties excepted; to commit no waste upon the said land, and to suffer n waste to be committed upon the portion inoccupancy or use; to take good care of the same, and to promptly surrender and return the premise
#	upon the termination of this lease to the part. 7
	buildings or improvements erected thereon during the said term by the said part
	a part of said land and become the property of the owner of the land as a part of the consideration for this lease, in addition to the other consideration
	herein specified, excepting that tools, boilers, boiler-houses, pipe lines, pumping and drilling outfits, tanks, engines, and machinery, and the casing of a dry or exhausted wells, shall remain the property of the said party
# 5	days from the termination of the lease; that will not permit any nuisance to be maintained on the premises under control, no
	allow any intoxicating liquors to be sold or given away for any purposes on guch premises; thatwill not use such premises for any other
	purpose than that authorized in this lease, and that before abandoning any well. 1/2 will securely plug the same so as to effectually shut off all water above
